29 June 2008

Dear Sir / Madam,

RE: My Notice of Appeal dated 19 May 2008.

I acknowledge your letter of 19 June 2008 written in response to the above Notice of Appeal. I am convinced that the ET decisions appealed in the above Notice are wrong in law and the irregularities in the ET proceedings and findings appealed defy manifestly the rules of natural justice. These matters are within the jurisdiction of the EAT and I intend to take the opportunity to present this view in a hearing as stipulated by rule 3(10).

I await your directions with respect to this matter.

Yours truly,

Dr Regina Benveniste
(Claimant, Appellant)
